

## WEBSITE CONCEPT

### Brand Name

*Motaung Culinary Group* (placeholder)

### Tagline

*"From private dining experiences to scalable culinary concepts."*

The website should position you as:

- Professional Chef
  - Culinary Entrepreneur
  - Recipe Developer
  - Restaurant Consultant
  - Future Restaurant & Ghost Kitchen Owner
- 

## 1. HOME PAGE

This should immediately explain who you are and what you do.

### Hero Section

Professional photo of yourself.

Headline:

**"Chef Kamohelo Mthombeni"**

Subheadline:

*"Creating exceptional dining experiences, developing original recipes, and building innovative culinary concepts."*

Buttons:

- Book Private Chef
  - Explore Services
  - View Signature Dishes
- 

### About Preview

Short introduction:

- Professional Cookery Diploma
- International Hotel School graduate
- Experience on the line
- Passion for culinary innovation

Button:

# Learn More About Me

---

## Services Overview

Four large sections:

### Private Chef

Luxury dining experiences.

### Catering

Events and special occasions.

### Ghost Kitchen Concepts

Delivery-focused food brands.

### Restaurant Consulting

Menu development and operational support.

---

## Signature Dishes Preview

Display:

- Signature dishes
- Plated creations
- Seasonal menus

Button:

**View Culinary Portfolio**

---

## AI Recipe Search Preview

Headline:

**"Explore My Recipe Library"**

Search bar:

*"Search for recipes, techniques, ingredients or dishes..."*

Button:

**Launch Culinary AI**

---

## 2. ABOUT ME PAGE

This page tells your story.

### My Journey

- Where you grew up
- How you became interested in food
- Culinary philosophy

---

### Education

Your diploma:

International Hotel School

Professional Cookery and Kitchen Management

---

### Professional Experience

Timeline:

- Culinary School
- Internship
- Current Line Cook Position
- Future Ventures

---

### My Vision

Explain that your goal extends beyond cooking.

Example:

*"My ambition is to build culinary brands that combine creativity, hospitality, technology and exceptional food experiences."*

---

### 3. PRIVATE CHEF SERVICES

Dedicated page.

#### Services

- In-home dining
- Romantic dinners
- Family gatherings
- Corporate dining
- Special occasions

---

#### How It Works

Step 1:

Consultation

Step 2:

Custom Menu Creation

Step 3:

Shopping & Preparation

Step 4:

Dining Experience

---

#### Sample Menus

Display examples.

---

#### Booking Form

Customer inquiry form.

---

## 4. CATERING SERVICES

### Events

- Weddings
- Birthdays
- Corporate Events
- Private Functions

---

### Menu Styles

- Buffet
- Canapés
- Fine Dining
- Cocktail Events

---

### Event Gallery

Photos of food and events.

---

### Request a Quote

Lead generation form.

---

## 5. GHOST KITCHEN & RESTAURANT CONCEPTS

This makes the website unique.

### Culinary Ventures

Show restaurant concepts you've developed.

For each concept include:

- Brand Name
- Cuisine
- Target Market
- Signature Dishes

Example:

**Fire & Ash**

Modern Flame-Grilled Cuisine

**The Bento Lab**

Asian-Inspired Fast Casual

**Midnight Kitchen**

Late-Night Delivery Concept

\_\_\_\_\_

**Future Restaurant Vision**

Explain future restaurant ambitions.

\_\_\_\_\_

**Investment Opportunities**

(Optional for future growth)

\_\_\_\_\_

**6. RECIPE DEVELOPMENT LAB**

One of the strongest sections.

**Recipe Collection**

Categories:

- Appetizers
- Main Courses
- Desserts
- Sauces
- Fine Dining
- Comfort Food

---

## Signature Recipes

Your original creations.

For each recipe:

- Story behind the dish
- Ingredients
- Method
- Photos
- Video (optional)

---

## Technique Library

Educational content.

Examples:

- Knife Skills
- Sauce Making
- Plating
- Meat Preparation

---

## 7. AI CULINARY ASSISTANT

This could become the centerpiece of your website.

### Features

Users can ask:

- "Show me a beef dish."
  - "Give me a seafood recipe."
  - "What dishes use saffron?"
  - "Show Chef Kamohelo's best chicken recipes."
  - "How do I make your mushroom velouté?"
-

**Advanced Features**

The AI should be trained only on your content:

- Your recipes
- Your techniques
- Your menus
- Your culinary philosophy

This makes it uniquely yours.

Think of it as:

**“Ask Chef Kamohelo”**

instead of a generic chatbot.

  
  

---

**8. CULINARY PORTFOLIO**

Visual showcase.

**Food Photography**

Organized by:

- Fine Dining
  - Modern Cuisine
  - Seafood
  - Desserts
  - Signature Plates
- 
- 
- 

**Before & After Development**

Show dish evolution.

  
  

---

**Featured Creations**

Your best work.

  
  

---

## 9. BLOG / JOURNAL

This helps with SEO and credibility.

Topics:

- Life on the line
  - Culinary techniques
  - Restaurant insights
  - Menu development
  - Food trends
  - Business journey
- 

## 10. CONTACT & BOOKINGS

Separate booking paths:

**Private Chef Inquiry**

**Catering Inquiry**

**Restaurant Consulting Inquiry**

**General Contact**

---

## FUTURE EXPANSION

The structure should be built so that later you can add:

**Online Culinary Academy**

- Courses
- Certifications
- Video Tutorials

**Recipe Subscription Platform**

Monthly membership.

**Restaurant Brands**

As your ventures grow.

**E-commerce Store**

- Sauces
- Spice Blends
- Merchandise
- Cookbooks

—

## SITE MAP SUMMARY

### HOME

The key idea is that the website should present you first as **Chef Kamohelo**, while the private chef services, catering, ghost kitchens, recipes, AI assistant, and future restaurant ventures all sit under one umbrella brand. That creates a clear identity today while giving you room to grow into restaurants, culinary products, and multiple food businesses later without rebuilding the website.
