

WEBSITE DEVELOPMENT PROPOSAL

KAMOHELO CULINARY GROUP

Project Overview

The objective of this website is to establish Chef Kamohelo Mthombeni as both a culinary professional and an emerging culinary entrepreneur. The website should serve as a central digital platform that showcases private chef services, catering services, restaurant ventures, ghost kitchen concepts, recipe development, culinary consulting, and future business ventures operating under the Kamohelo Culinary Group.

The website should be modern, elegant, visually driven, and scalable, allowing additional businesses and ventures to be added as the company grows.

BRAND POSITIONING

Primary Identity

Chef Kamohelo Mthombeni

Umbrella Brand

Kamohelo Culinary Group

Brand Statement

Creating exceptional dining experiences, developing innovative culinary concepts, and building a portfolio of hospitality businesses that combine creativity, craftsmanship, and entrepreneurship.

WEBSITE OBJECTIVES

The website should:

- **Establish credibility and professionalism.**

- **Showcase culinary expertise and experience.**
 - **Generate leads for private chef bookings.**
 - **Generate catering inquiries.**
 - **Present restaurant and ghost kitchen concepts.**
 - **Display culinary portfolio and signature dishes.**
 - **Serve as a platform for recipe development.**
 - **Integrate an AI-powered culinary assistant.**
 - **Provide a scalable foundation for future business expansion.**
-
